PROGRAMME FOR COMMUNITY NURSE MANAGERS

THE IMPLICATIONS OF ADVANCES IN CARE OF CLIENTS IN THE COMMUNITY WITH HIV/AIDS

A DEPARTMENT OF HEALTH Two-Day Workshop organised by

THE ROYAL MARSDEN HOSPITAL and

ROYAL BROMPTON NATIONAL HEART & LUNG HOSPITALS
The Implications of Advances in Care of Clients
In the Community with HIV/AIDS

Aim

To introduce Community Nurse Managers to the changes in nursing practice consequent upon developments in the treatment of clients with HIV/AIDS, in order that they may effect change.

Objectives

The objectives of the programme are that Community Nurse Managers will have:

1. An increased awareness of the therapeutic advances for managing people with HIV and AIDS.

2. Considered the management implications of these changes in care for the practice of community nursing.

3. Considered a plan of action for themselves, for the year ahead.
