Copyright:

Middlesex University Research Repository makes the University's research available electronically.

Copyright and moral rights to this work are retained by the author and/or other copyright owners unless otherwise stated. The work is supplied on the understanding that any use for commercial gain is strictly forbidden. A copy may be downloaded for personal, non-commercial, research or study without prior permission and without charge.

Works, including theses and research projects, may not be reproduced in any format or medium, or extensive quotations taken from them, or their content changed in any way, without first obtaining permission in writing from the copyright holder(s). They may not be sold or exploited commercially in any format or medium without the prior written permission of the copyright holder(s).

Full bibliographic details must be given when referring to, or quoting from full items including the author's name, the title of the work, publication details where relevant (place, publisher, date), pagination, and for theses or dissertations the awarding institution, the degree type awarded, and the date of the award.

If you believe that any material held in the repository infringes copyright law, please contact the Repository Team at Middlesex University via the following email address:

eprints@mdx.ac.uk

The item will be removed from the repository while any claim is being investigated.

Table 1. Typical weekly training program for the soccer players during the 4 weeks of preseason.

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Morning	PT 30'	TEC/TAC 60'	PT 30'	Rest	PT 30'	TEC/TAC 70'
Afternoon	TEC/TAC 70'	TEC/TAC 80'	TEC/TAC 90'	TEC/TAC 80'	TEC/TAC 90'	Rest

Note: TEC = Technical Training; TAC = Tactical Training; PT = Power Training; The numbers after the training sessions represent the volume in minutes. TEC/TAC training involved different formats of small-sided games and specific technical actions (e.g., goal shooting, corner kick situations).
