Middlesex University Research Repository makes the University's research available electronically.

Copyright and moral rights to this work are retained by the author and/or other copyright owners unless otherwise stated. The work is supplied on the understanding that any use for commercial gain is strictly forbidden. A copy may be downloaded for personal, non-commercial, research or study without prior permission and without charge.

Works, including theses and research projects, may not be reproduced in any format or medium, or extensive quotations taken from them, or their content changed in any way, without first obtaining permission in writing from the copyright holder(s). They may not be sold or exploited commercially in any format or medium without the prior written permission of the copyright holder(s).

Full bibliographic details must be given when referring to, or quoting from full items including the author’s name, the title of the work, publication details where relevant (place, publisher, date), pagination, and for theses or dissertations the awarding institution, the degree type awarded, and the date of the award.

If you believe that any material held in the repository infringes copyright law, please contact the Repository Team at Middlesex University via the following email address:

eprints@mdx.ac.uk

The item will be removed from the repository while any claim is being investigated.

This is a collaborative effort between staff and students working in the Autonomous Systems Lab (ASL) and Middlesex University Teaching Resources (MUTR).

The Autonomous Systems Lab (ASL) took part in the KAF 2010 with their well received Heineken Robot, which automated the process of serving beer. (www.eis.mdx.ac.uk/research/robotics/).

Middlesex University Teaching Resources (MUTR) supports design and technology teachers during times of very rapid change. It provides a wide range of smart materials and science resources. (www.mutr.co.uk).

The Design Team:
Dr. Stephen Prior is a Reader in Autonomous Robotic Systems and founded the ASL at Middlesex University. (s.prior@mdx.ac.uk)
Darren Lewis is a FY student on the BSc Product Design and Robotics programme and is part of the ASL team. (dazmatic@hotmail.com)
Chris Barlow is a FY student on the BSc Product Design and Robotics programme and is part of the ASL team. (chris.barlow2@gmail.com)
Helena Ambrosio is a Designer-in-Residence within Product Design and Engineering and is a graduate of the MSc in Design Engineering programme. (h.ambrosio@mdx.ac.uk)
